A MESSAGE FROM OUR CEO & BOARD CHAIRMAN

Over the past year, United Way of Monmouth and Ocean Counties (UWMOC) continued our unrelenting focus on making an impact in our communities. We are proud of our accomplishments and determined to face the current challenging environment. Among our important activities, UWMOC completed the Grunin Foundation \$1 Million Challenge to help further our mission and enrich our critical programs. In Spring 2019, we welcomed Lori-Anne McLane as our new President & CEO to lead our organization into a new era.

UWMOC announced the expansion of our Financial Success Center (FSC) Network to ten locations throughout Monmouth and Ocean counties to provide more access to services than ever before. Through a grant from the National Council on Aging, we also provided services targeted to seniors and people with disabilities. Our School-Based Nurse Practitioner partnership expanded to an additional school in Toms River. With a new partner in our Youth Career Pathways focus area, we are providing high school students with hands-on training in the tech, manufacturing and construction industries.

Respond. Recover. Reimagine. Rebuild.

One change we never could have imagined in 2019 is the challenges our organization, our community and the entire world would face in 2020 from the COVID-19 pandemic. UWMOC quickly organized a COVID-19 Recovery Fund to address the unmet needs of people and organizations economically impacted by this crisis. While we're doing all that we can to mitigate the immediate effects of the virus, we remain committed to helping rebuild our communities over the near and long term.

UWMOC is rebuilding for better, more equitable and more resilient communities. Our goal is not to "return to normal." We need to reimagine a new normal that equips our residents to weather inevitable future crises. United

Way is unparalleled in our power to convene partners, providers and resources to address the needs of our community. Together, we will overcome this health and economic crisis. The tough work that will be needed to help us recover is what United Way does every day. We prepare children for success in school, work and life; we connect those in financial distress with resources to pay bills and stay in their homes. We don't work alone - it's the strength of our community partners that drives real change.

Thank you to our volunteers, community partners, all of our supporters and the Leadership Givers listed in these pages for stepping up to help your neighbors in need. Now, more than ever, UWMOC needs your support to do what we do best in the aftermath of disasters -- help Monmouth and Ocean counties respond, recover, reimagine and rebuild for the long term.

GIVE. ADVOCATE. VOLUNTEER.

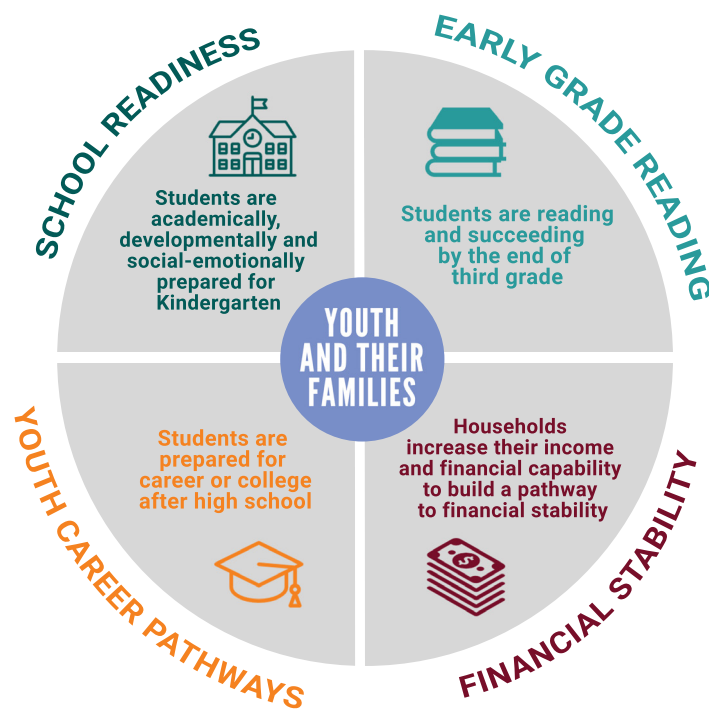

OUR MISSION

United Way of Monmouth and Ocean Counties mobilizes donors, volunteers and community partners to improve the lives of youth and their families.

OUR VISION

Every child is successful, every family is financially stable, and every community we serve is stronger.

COMMUNITY IMPACT FOCUS AREAS

GRUNIN FOUNDATION CHALLENGE

UWMOC has completed the Grunin Foundation Challenge to raise \$1 million!

In order to support UWMOC's mission, the Grunin Foundation generously matched \$1 million in new or increased donations since 2017! We thank Jay and Jeremy Grunin of the Grunin Foundation for this huge opportunity to make an impact on our community, and all who donated to join the fight for a stronger community with United Way!

SCHOOL READINESS

EQUIPPING PARENTS, CAREGIVERS AND PROVIDERS WITH THE TOOLS NEEDED TO ADDRESS HEALTH AND LITERACY FOR EARLY SCHOOL SUCCESS FOR THEIR CHILDREN.

DID YOU KNOW?

- By age five, a typical middle-class child recognizes 22 letters of the alphabet, compared to 9 for a child from a low-income family.
- Learning begins long before Kindergarten; children, even infants, soak up rhymes, songs and images.
- As a child's first teacher, brain-builder, advocate and coach, parents set the stage for success in the early years.

EARLY GRADE READING

ENSURING STUDENTS ARE LEARNING, ENGAGED AND HEALTHY OVER THE SUMMER MONTHS AND READY FOR SCHOOL IN SEPTEMBER.

DID YOU KNOW?

- Reading proficiency by the end of third grade enables students to shift from learning to read to reading to learn. Students who fail to meet this milestone often do not graduate high school.
- Without access to enriching activities over the summer, children from low-income families lose as much as 3 months of reading comprehension skills.

VOLUNTEER CENTER

Every community, regardless of the size and socioeconomic status, benefits greatly from volunteers.

United Way of Monmouth and Ocean Counties' Volunteer Center recruits individuals, families, organizations and corporations and matches them with meaningful volunteer opportunities at local nonprofit agencies. We make volunteering easy, flexible and impactful for the individual while helping agencies meet their goals.

The Volunteer Center also provides donations to our residents through various community drives. We partner with local schools and nonprofits that have a pulse on the needs of our community to determine the demand for items and enlist the help of companies to acquire donations. Our Warmest Wishes Coat Drive gives children brand-new coats to keep them warm on the way to and from school. We also coordinate book drives with local businesses and individuals to collect new and gently used books for students in our summer literacy programs to start or expand their at-home libraries.

GIVE YOUR TIME. SHARE YOUR TALENT.

Our Volunteer Portal is a free tool that makes it easy to connect volunteers to local organizations. Browse opportunities and register at uwmoc.org/volunteer.

THE IMPACT ON OUR COMMUNITY

2,130 volunteers contributed **6,549 hours**, resulting in approximately **\$193,130 worth** of volunteer service for our community

WOMEN UNITED

Women United is a diverse, vibrant group of leaders working to make a direct impact in our community.

We ignite the power of women who bring the passion, expertise, and resources needed to get things done to improve the lives of children and their families.

In conjunction with United Way of Monmouth and Ocean Counties, the current focus of Women United is combating the summer slide. In the summer months, children with limited access to books and activities fall behind. Each year a child is without these resources, the learning gap widens. If the learning gap remains by the end of the third grade, they may never catch up to their peers. Funds raised advance our work in education and help children transition to reading to learn, instead of learning to read, by the start of the fourth grade.

In 2019, Women United helped fund the UWMOC summer literacy programs at AMP Zone, Collier Youth Services, Community YMCA, Girl Scouts of the Jersey Shore, Monmouth Day Care Center, O.C.E.A.N. Inc., and Ocean County YMCA.
